## **Attention Physical & Sport Education Coordinator**

### **2022 Junior Development Badminton/Pickleball/Floor Curling Clinics**

Between April 5<sup>th</sup> and May 6<sup>th</sup>, 2022 (late Term 1 & early Term 2), the Ballarat Badminton Association is offering free badminton, pickleball and floor curling clinics to Primary Schools in the Ballarat area. Attached is a booking schedule for the upcoming School Clinics to be held at the Ballarat Badminton Stadium.

The Ballarat Badminton Association Inc. would like to offer the grade 4 to 6 students from your school the opportunity to become involved in our Junior Development Program. This program will consist of free badminton, pickleball and floor curling clinics conducted at the Badminton Stadium in Dowling Street, Wendouree during school hours.

Cost of these clinics will be 100% funded by a special fund set up for this purpose by the Ballarat Badminton Association Inc. This includes the cost of instruction, supervisors, court hire, and all equipment. These clinics will give your students the chance to experience all 3 sports firsthand with their school friends. The only cost to the school will be transport to the stadium.

Clinics consist of sessions, which are 80 minutes in duration for up to 72 students per session – with marked sessions \*\*\* only catering for 40 students. The clinics will be held from 9:30am – 2.30pm in second term on a “first in first serve” basis. Multiple sessions will be available per school if required, however only one session per class will be catered for. Each class will rotate through the 3 sports every 25 minutes. Teachers and parents are invited to take part in the clinics to learn the basic techniques of play and the rules etc.

Ballarat Badminton Assoc. will also be conducting an after-school competition for those schools interested to follow on from the clinics for all 3 sports. This competition would be run at our stadium over approximately 6 weeks from 4.30pm to 5.45pm (on Wednesday night) at a cost of \$3 per player, per night. Equipment will be supplied free of charge if required. Teams to consist of 4 players (badminton & pickleball) and 2 players (floor curling) with a team mixture of boys and girls plus an adult team manager (umpire). Further details about the after-school competition will be distributed at the clinics.

Badminton, Pickleball and Floor Curling are all family sports and can be enjoyed by players of all ages, abilities, and standards so “be in the fun” and encourage your school to return the attached sheet promptly to ensure a place in the clinic on your preferred day, time etc. If these dates do not suit than please contact us to arrange a more suitable time or suggest a suitable date on the last booking box.

For further information, please do not hesitate to contact us on the phone number or email above. Hopefully, there is a date and time suitable for your school.

Thanks and regards,  
Rhonda Cator
